North Carolina Department of Commerce: The Department of Commerce is the State of North Carolina's lead agency for economic, community and workforce development.

www.nccommerce.com

NC Dept. of Commerce, Division of Community Assistance: assists local governments across the state with community development, economic development, smart growth management and downtown revitalization.

www.ncdca.org

North Carolina Community College System: The system offers a wide variety of assistance to communities. It is a good resource for learning how to start a small business, gain technology skills etc.

www.ncccs.cc.nc.us

North Carolina Community Foundation: The Foundation is a statewide community development organization created to build capacity through philanthropy.

www.nccommunityfoundation.org

NC Councils of Governments: The 18 Councils of Governments in North Carolina were established by the NC General Assembly in 1972 as voluntary organizations of county and municipal governments within a region. Each one provides services which are more readily handled on a regional basis rather than by individual local governments. Typical services include programs for the aging, land-use planning, economic development, environmental protection etc.
