

North Carolina 2009 Youth Services Provider List

In accordance with 665.200 (b)(4) and (c) of the WIA Final Rule, North Carolina must develop a list of eligible providers of youth activities as described in the Act at Section 123 of Public Law 105-220, August 7, 1998, Workforce Investment Act of 1998, and must assure that this information is widely available.

To comply with this requirement, the Division has compiled a statewide list of youth service providers based on information provided by Local Areas. The list identifies agencies selected by Workforce Development Boards to receive contracts based on the recommendations of the Youth Council.

The list is effective July 1, 2009.
